Main areas

- Employment Law
- Real Estate
- Inheritance Law / Estate Planning
- Sports Law
- Contracts and Standard Terms

Background

Moritz Tauschwitz advises foreign companies and individuals on all aspects of Spanish employment law, whether on personnel planning in the course of establishing a Spanish subsidiary, drafting the relevant employment contracts, contract adjustments and terminations or postings of employees to Spain. According to his thorough knowledge in this field, he also provides comprehensive advice for clients in the area of sports law.

He works for Lozano Schindhelm SLP since 2015.

Expertise

Moritz Tauschwitz advises clients from the European area primarily with regard to Real Estate and inheritance law, as well as with issues relating to asset transfers, estate succession and company succession, including its resulting fiscal consequences. In this connection, he attends to the preparation and examination of all types of contracts, whether private written or notarised. He is also specialised in corporate crime. According to his thorough knowledge in this field, he also provides comprehensive advice for clients in the area of sports law.

Furthermore, he advises Spanish and foreign companies in connection with contractual and corporate law, as well as financing possibilities.

Moritz Tauschwitz is a member of the German-Spanish and German-French Lawyers Association.
