Background

Eliseba Pacella studied International Business Administration at the University of Cooperative Education Villingen–Schwenningen, specialising in "International Marketing".

Subsequently, she gained experience in marketing at an international medical technology company in Germany.

Afterwards she worked for 8 years in the administration department of the German School Valencia.

Since May 2019 she has been responsible for marketing and customer care at Lozano Schindhelm and also supports our administrative department.

Expertise

Eliseba Pacella coordinates Lozano Schindhelm's marketing activities and focuses on event organization, community management and local and cross-border marketing activities, coordinated with the partners of the Schindhelm Alliance.

In addition, Eliseba Pacella is the central contact person in the area of customer care.

Due to her many years of experience in this fields, she also supports our administration department, mainly as a contact person for our service partners
